Dedication

As the class of 1974 approaches graduation, we find we are missing a member of our class. Mary T. Reagan entered Norwood High in 1971 and was elected Sophomore Class Treasurer. Born in California, one of eight children, Mary moved to Norwood and entered second grade at the Cleveland School. She attended Junior High South and continued on through her junior year at Norwood High.

Mary was a favorite among her classmates and friends. Soft-spoken, with a beautiful smile, she possessed an inner sensitivity which brought out her artistic abilities. Her favorite hobbies were music and art. Mary and her family sang as a group and led the congregation at Sunday morning church services. Chosen as one of the selected students for Studio Art in her junior year, Mary planned to further her education in art after graduation. She was a member of Norwood Pulse and a former Norwood Debonnaire.

What more can we say? I guess just thank you, Mary, for your friendship. We miss you.

Love,

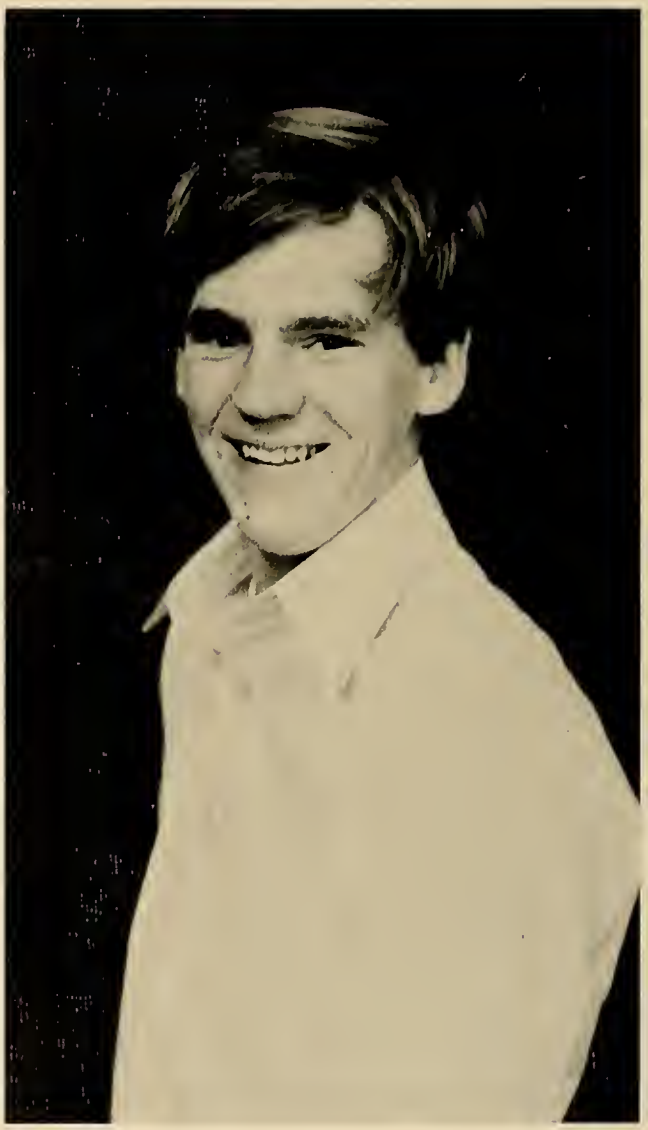
the class of 1974

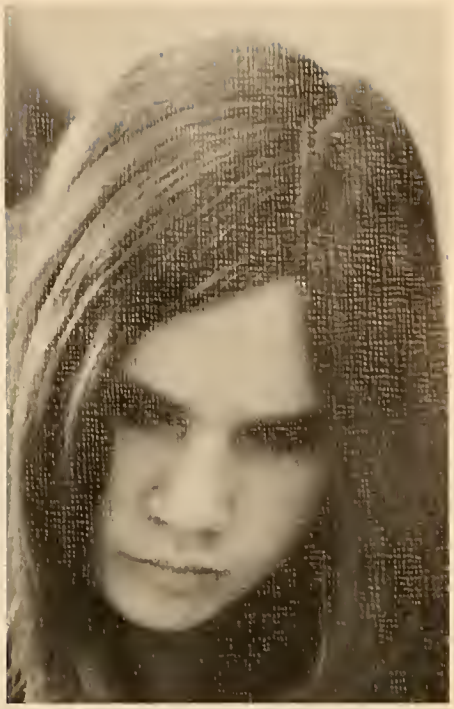
When I must leave you for a little while,
Please do not grieve and shed wild tears
And hug your sorrow to you through the years
But start out bravely with a gallant smile;
And for my sake and in my name
Live on and do all things the same.
Feed not your loneliness on empty days
But fill each waking hour in useful ways,
Reach out your hand in comfort and in cheer
And I in turn will comfort you and hold you near
And never never be afraid to die
For I am waiting for you in the sky!

Mary Theresa Reagan

Days of Future Passed

Recalling our days gone by . . .
we look to the future.
what does the future hold,
that the past has proclaimed?
the past had its future . . .
and the future has had its past!





when we entered
norwood high everyone
was just a face in
the crowd. gradually
we formed friendships,
and the faces
became familiar.

we were constantly moving . . .

we planned our actions
carefully,
striving to do our best.
each year offered a
different challenge
which we faced and
conquered.

as time went on,

we learned to be individuals . . .

each searching for his
own style.
at times we needed to
be alone to gather our
thoughts.

our social life increased
as the years went by.
we recognized our need
for friendships.

our three years revolved around studying, socializing, and finding ourselves.
norwood high became a separate world within another.

SEATED: Mrs. Duffy, Dr. Coakley, Mrs. Berkowitz, Mrs. Prindle.
STANDING: Mr. Napoleone, Mr. Pentowski, Mr. Saraca, Mr. Egan, Mr. Diggs, Mr. Sheehan, Mr. Donovan.

the past merges into the future.

sophomore year: we were fearful teachers were unknown
everyone was a stranger we tried to adjust.

junior year: we're no longer afraid we're slightly more bold
we recognize our teachers we see many familiar faces
we've adjusted.

senior year: another year more exciting we know
everyone close to teachers they're not so bad more
freedom in the classrooms they're almost like friends.

future: a better understanding maturity knowledge
thanks.

Number ONE!!!

Girls' Ice Hockey

The Norwood High Girls' Ice Hockey Team began its third season this year under the direction of Mr. Bob Clifford and Mr. Peter Mollo. Since so many attended tryouts (close to 100), it was necessary to split the girls into two segments — a traveling team, who played other town teams, and a second team, who scrimmaged and worked on their hockey playing.

Both teams practiced at Westwood Ice Arena on Tuesday afternoons. Such hard work and dedication should be commended, as the Girls paid for their own ice and found their own transportation and equipment. Also, the coaches gave up much of their spare time to run a team that would otherwise be non-existent.

What about the name of the team? It seems that it will just be carried on from last year and will be kept under cover. For a while, anyway.

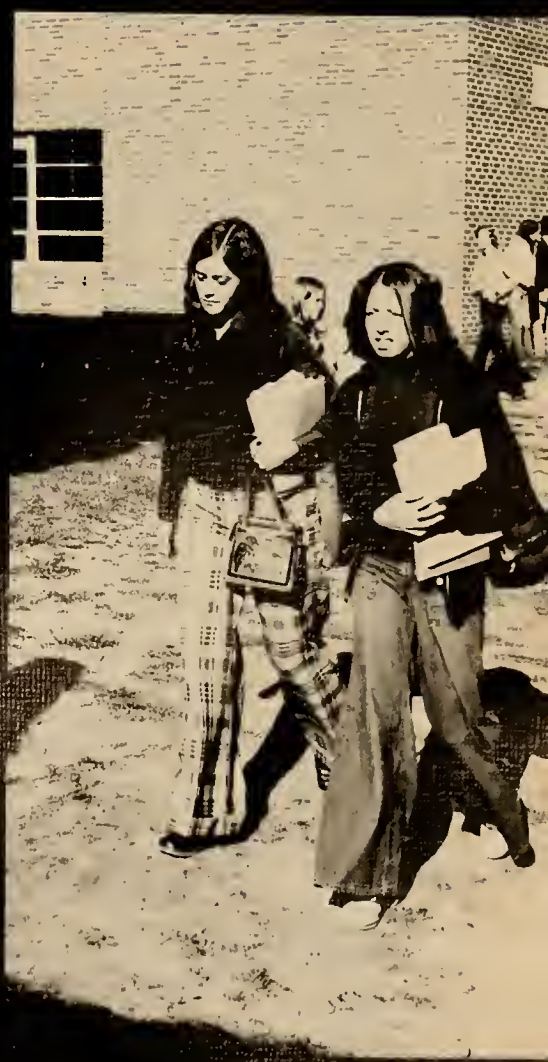
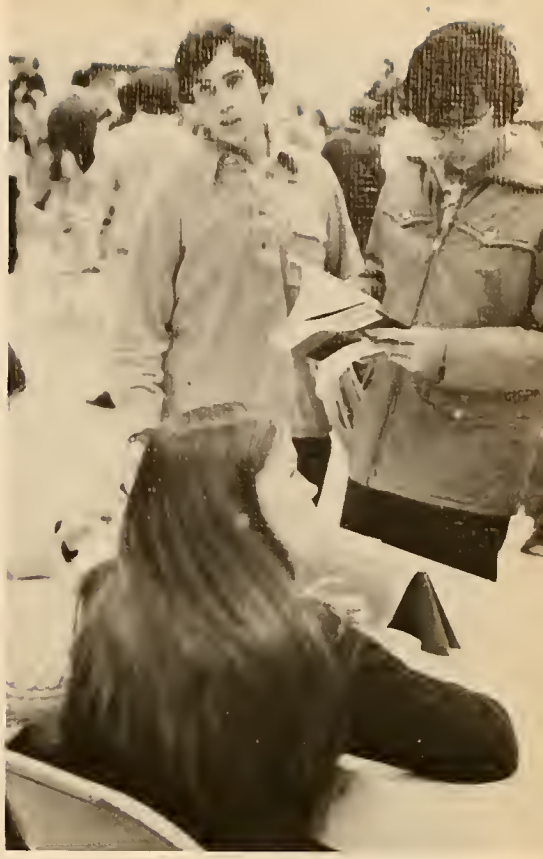
student life



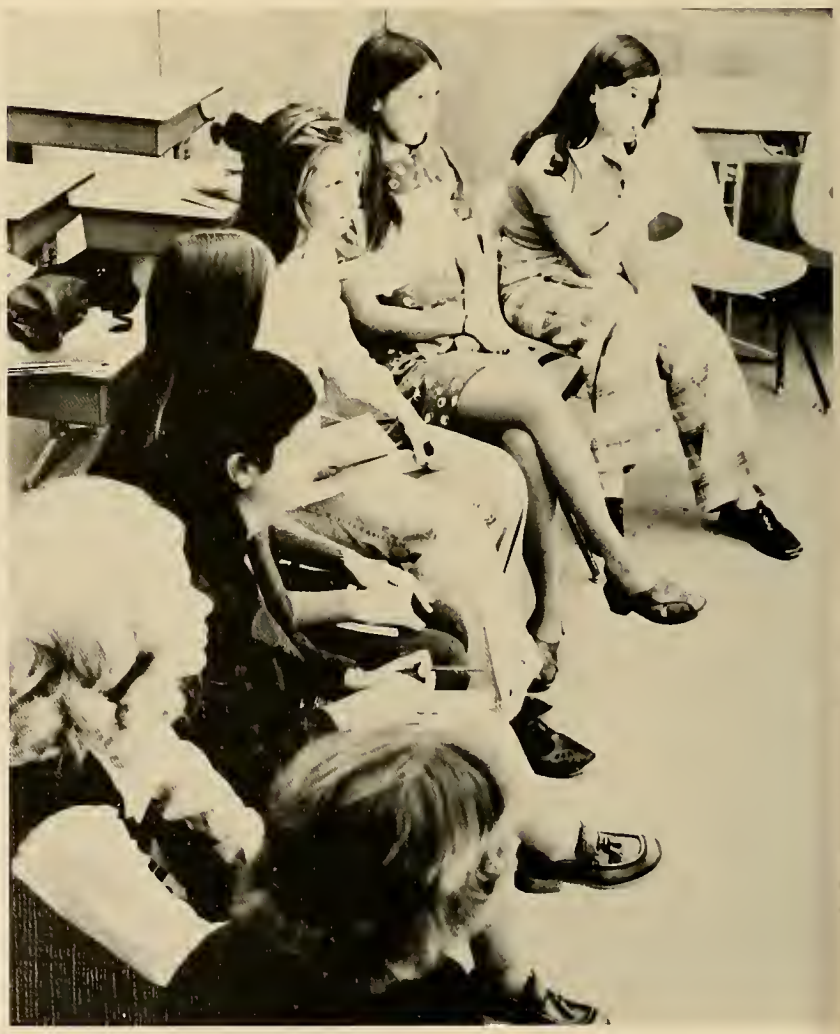
Foreign Language Department

The Foreign Language Department sponsored a "Foreign Language Career Day" during which representatives from a number of companies demonstrated the value of a second language. Students from many surrounding communities, as well as many from Norwood High, attended and generally agree it was a rewarding affair.



English Department

The English department offers a great assortment of one-term courses. Courses for juniors and seniors vary from Film and Media Appreciation to Expository Writing. The department provides for an important part of education at Norwood High.



Utopian Societies Course

The "Utopian Societies in Literature" course was an enjoyable experience to each participant. Classics by Plato and Thomas More were complemented by their modern equivalents, Huxley and Orwell.

All discussions were interesting and provocative in a good "give-and-take" atmosphere. The exposure to a wide spectrum of viewpoints will be a valuable experience to all who were involved.

Science Department

The Science Department continues to change its curricula and increase its laboratory facilities. It broadens students' abilities and interests and prepares them for a continuation of their education in the scientific field.

History Department

The History Department gives students an opportunity to observe the vast world around them. The huge selection of courses offered by the department, not only gives students a deeper understanding of other civilizations, but also gives students a greater understanding of themselves.

Business Department

The Business Department prepares students for secretarial and business careers. It gives students the necessary skills for succeeding in these fields in the future.

Mathematics Department

The Math Department is an integral part of the Norwood High School scene. Courses are varied in content and relate to our computer. This year Norwood High had a Math teacher, Mrs. Jones, from England. Mr. Buscone, a Norwood High Teacher, taught in Great Britain in an exchange program. Most students feel that the NHS Math Department is an essential doorway to an interesting future.

Home Economics and Industrial Arts Departments

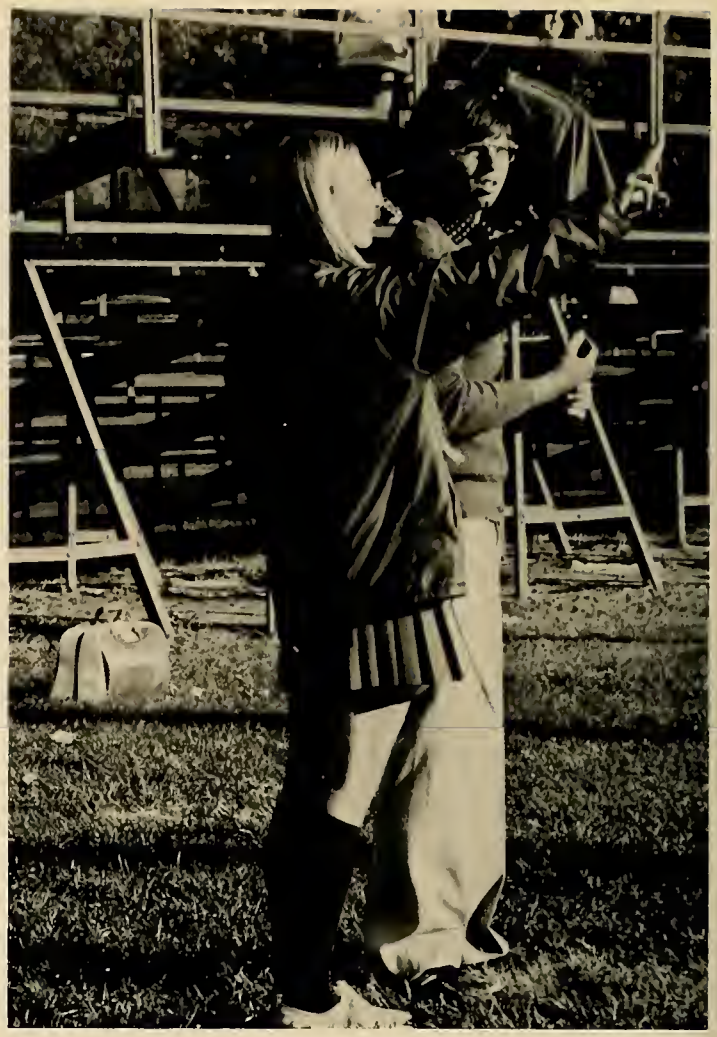
Frequently, one smells the tempting aromas near room 14. This is the result of the Home Economics Department, where students learn the arts of cooking, sewing and other skills which characterize homemaking.

Nearby, the steady hum of the industrial arts machines fills the air. Here the skills of woodworking, metal working, printing, and mechanical drawing are taught.

Music and Art Departments

The Music Department offers a wide variety of courses which extend from band and chorus to music theory. Music provides an interesting and rewarding experience for students.

Further down the hall, one can observe the creation of all forms of art, from clay figures to silk screening. The courses offered by the Art Department give students a deep insight into the world of art.



Physical Education Department

The Physical Education Department offered a new aspect of gym, not seen during any other year. The system of co-ed electives every four weeks enhanced the format of the department. It was a new experiment which proved to be quite satisfactory.

Hilltopper

What is the *Hilltopper?* It is a combination of the *Silhouette* magazine and the *Sentry* of last year. It contains news, sports, art, poetry, creative writing and lots of gossip. Printing a newspaper is hard work, but the 1973-74 staff came up with the correct proportions of communication, cooperation and coordination to produce a fine newspaper.

STUDENT COUNCIL 1973-74

Under the guidance of Mr. Usevich, the council was highly democratic and progressive. This year Elections were held in simulated polls at the school, and members to the council were voted from each class, rather than from individual homerooms.

The council concerned itself with the idea of "unity." It was active in community affairs with the senior citizens, with other councils from various schools, and with the people and students of Norwood in general. The student council sponsored its annual Senior Auction and, as a new activity, The Clipper Wheelchair Basketball Game. Norwood Caps were also made available to the school's population as another fund raising event.

A new idea and purpose was established for the future councils.

The fine leadership of President, Kevin Glynn; Vice President, Dale Ecklholm; Treasurer, Marie Gross; and Secretary, Maggie Gross yielded a productive year.

"Our Town"

"Our Town," produced by a group of Norwood seniors, unveiled four excellent performances of Thornton Wilder's reknowned play. The development of the characters by the inspired cast was parallel with professional dramatics and a rarity in the annals of Norwood theater. The performances were applauded with enthusiasm, and one performance, in particular, conducted in behalf of our senior citizens was sincerely enjoyed by both audience and cast.

Tiot

The Tiot staff looked back on the past three years at Norwood High School and tried to express our feelings in the "Days of Future Passed."

We would like to show our appreciation to our editorial advisor, Mrs. Patricia Ingraham, and our financial advisor, Mr. Horace Fader. We would also like to thank all those who made this yearbook possible.

MUSTANGS HAVE EXCEPTIONAL SEASON

The Norwood Mustangs, under head Coach John "Duffy" Doherty, ended an exceptional season with a 5-4 record. The Mustangs started out strong as they went undefeated in their first three games. With the combined efforts of Coaches Doherty, and Levin, the offense scored a total of 129 points for the season. Under the direction of Mr. Jack "Bones" Martinelli and Coach Crimmens, the defense gained two big shutouts over two previously undefeated teams, Needham and North. We lost to the four top teams by a total of 10 points. Needless to say, this fine record could never have been accomplished without the great leadership of co-captains, Dave Saad and Johnny "O" Oldham. Next year's team promises to be one of the top contenders in the Bay State League with many returning veterans. The graduating seniors wish them the best of luck.

Girls' Football

Field Hockey

The Girls' Field Hockey Team had an exciting but disappointing season this year, as they lost many one goal games and had many ties. Captains Kathy Smelstor and Janet Lanzoni led the team in spirit, which showed as the girls gave their all in every game. Under the superb coaching of Mrs. Dapsauski and Mrs. Feldman, the girls had a 0-5-3 record.

Leaving the team this year will be the majority of this year's varsity team, including: Anne Morse, Kathy Judge, Betsy Shelton, Alice Kelly, Sue Allen, Kathy Smelstor, Sue West, Sue McSweeney, Janet Lanzoni, Doreen Auciello and Joanne Skowronski. These girls would like to thank Mrs. Dapsauski and Mrs. Feldman for all their time, patience and guidance. They would also like to wish the best of luck to next year's new coaches and to the team.

Girls Place Third

The girls' swim team, led this year by a new coach, Patsy Welby, and captain Cindy McAuliffe, placed third in their league with a 3-3 season. The top scorers for the girls were: spirited junior, Margo Boch; "dedicated" senior, Nancy Quann; and upcoming sophomore, Amy Connolly.

The highlights of the season were the girls' representation by Nancy Quann and Margo Boch at the state finals, both girls placing among the top ten; and the presentation of the MVP award to Nancy Quann and the "Most Improved" award to Kim Kinter.

The retired seniors wish the spirited underclassmen the best of luck in future years and many "HOLY NIGHTS."

Trackmen Reverse Situation

Perennial losers, the track-men reversed the situation this year. With Coach Dave Reagan at the helm, the cross country team powered its way to an admirable 6 win, 3 losses record, perhaps a sensational season considering the team in past years.

A crushing victory over Walpole and a heated one point win against arch-rival Dedham highlighted the season.

Let us raise a glass and toast the team's accomplishments.

Soccermen Have Best Season in Eight Years

The 1973-1974 Norwood High Soccer Team had the most productive season of its eight year history. Their record of 5-9-2, however, did not reflect upon the ability of the team as the Mustangs held their own with the best teams in the tough Bay State League. Seven of their defeats were one goal decisions. The Seniors led the team well with Dan Carey, Greg Walker, Bill Doucette, Mike Denzer, John Orfanides, and Jack Girvan doing well. Frank Baglione, Mike Smith, John Hayes, Gary Shaw, and Chip Nickerson also showed what hard work will do. Injured Dan Bayer looked good, too.

Girls' Gymnastics Team Performs in True Norwood Style

It was quite a year for girls' gymnastics. After a very disappointing season last year, the girls came back with true Norwood form. The final record was 5-4, putting the team in fourth place in the Bay State League. It was a record breaking season, also. The previous record of 5-0 was smashed to pieces when Norwood beat Dedham 68.8-56. The team was led by three seniors: Kathy Judge, Linda Lucchini, and Pat O'Neil. Coaches, Mrs. Feldmann and Miss Locke, should be commended for making this team what it was. Good luck to next year's team.

Co-Captain S. Zinkowski

With the retirement of Mr. Allen Carver and the loss of many outstanding seniors, the prospect for the gymnastics team appeared disappointing.

This was not the case: James Perry, a fine athlete from Boston State, filled the job as coach.

Led by captains Stephen Zinkowski and Gary Hoffman, along with seniors, Mike Chaggaris, and Mike Breen, the team enjoyed a fine season.

The departing seniors would like to thank Mr. Jim Perry for a fine first year job and wish next year's team a winning season.

Indoor Track

The indoor track team enjoyed its most successful season in years. Its 8-1 record was attributed to the hard work and determination of the team, as well as to the never-ending efforts of head Coach Martinelli and Assistant Coach Rukstalis. This year the team finished second in the Bay State League with its only defeat being against first place finisher Needham.

The season was highlighted by big wins over Natick, Braintree, and Dedham, and by great individual performances. Senior Tom Mahan captured the Class B Hurdle Championship and also set the school record in high jump. The relay team, consisting of Greg Nelson, Don Walsh, Joe Andrea, and Tom Mahan, turned in the league's best time this year against Needham. Senior Co-Captain Bruce Hadley, through hard work, holds the school record in the two mile. Other hard working seniors included: Jack Hohman, Mike Trovato, Frank Giampietro, Bob Chambers, Ted Davenport, Roger Eysie, John Curtin, Joe Cataffe, Mike Driscoll, and Co-Captain Kevin Dold.

Next year's team, despite the loss of 14 seniors, should be a top contender. Best of luck to them and their coaches:

Girls' Basketball Places Fourth in League

The 1973-74 Girls' Basketball Team had a very successful season. Led by their coach, Mr. Parker, the girls did an outstanding job, ending their season in 4th place with a record of 7 wins and 3 losses.

The Mustangs were led by captain and high scorer Kathy Smelster. The line-up was completed by three juniors: Dianne Erickson, Leslie Rossi, and Kim Lindgren; and one sophomore, Leslie White. Completing the roster were seniors, Joann Skowronski and Sue McSweeney; juniors, Karen Anderson, Cathy Wong, Jean Ellis, and Pam Floyd; and sophomore, Joan Trainer. The girls ended their season with a tough loss to Wellesley which kept them out of the tourney.

Congratulations to J.V. coach Kathy Burt who led the J.V. Team to a record of 5 wins and 4 losses. Thanks to manager Bonnie Stewart who kept things together for the season.

Basketball Has Excellent Season

The '73-'74 Norwood High Basketball team, Coached by Ken Nolet, had one of its finest seasons ever as they finished the year with an excellent 13-5 record. This was good enough for third place in the Bay State League and a state tourney berth.

Inconsistency plagued the mustangs through the early season as they struggled to a mediocre 5-4 record at the mid-season point. After some strategic coaching moves by Coach Nolet, the mustangs ripped off an eight game winning streak, losing only its final game to league champion Dedham.

The team was led by captain, Jim Crook, who was an all star and also the Bay State League scoring champion. He was joined in the starting lineup by seniors, Kevin Glynn, Nick Fanandakis, Gary Olshan, and all star junior, Larry Brown. Juniors Tim Collins and Steve Savage played a great deal and sparked the team to many victories. Seniors, Jim Savage, Peter Hartshorn, Paul Glynn, Tom White, and P. J. McSweeny also contributed greatly to the team.

The Mustang Hoopsters Represented Norwood well in the tourney, although they bowed out to a powerful Needham team 49-41. Norwood played with the spirit and hustle which typified them all season long and which should continue into the 1974-75 season.

Hockey Team Makes Tourney

The Norwood High Hockey Team had an excellent season, which resulted in a 15-1-2 record. The squad captured second place in the Bay State League. Hustle was the Mustang's motto as they were the fastest skating team in the league.

The State Tournament was, as usual, exciting. The team won the 1st round, 6-3 vs. Quincy, and bombed Beverly 11-1 with nine players figuring in the scoring department. The Quarter final was a heartbreaker against arch-rival Arlington, as Norwood clearly outplayed them in every aspect of the game, except scoring, and lost 3-1.

Four players were selected to the BSL All Stars: Capt. Greg Walker, Assistant Capt. Mike Smith, Frank Baglione, and Bill Flaherty.

Other performers were Seniors, Roger Battles, Dan Bayer, Mike Denzer, and John Quigley; Juniors consisted of Dennis King, Jim Grimm, Jeff Tenney, Ken Muse, John Riley, and Kevin Hawley.

Sophomore surprises were goalie Mike Gulla, and third liner Billy Clark. Seniors Manny Collins and Gary Shaw worked especially hard for the Mustangs.

Recognition should also be given to manager John Hayes who was invaluable to the team.

You're about to take a giant step forward into your future.
We think we can make it the bright one you want it
to be at New England Telephone. With a job that's every
bit as big as your ambition. You see, we need people.
With all kinds of talents. And especially, people who
really want to get going with their future. And want to
be rewarded with automatic raises. If you want
a job and a future that's tailored to your talent...
along with unusually generous fringe benefits, stop
in and see your guidance counselor. Ask when and
where you can apply for an interview with the people
who want to make your future as happy as you want
it to be.

Sing While You Drive . . .

At 45 miles per hour, sing —
"Highways Are Happy Ways."

At 55 miles, sing —
"I'm But a Stranger Here, Heaven
Is My Home."

At 65 miles, sing — "Nearer, My God, To Thee!"

At 75 miles, sing —
"When the Roll Is Called Up Yonder, I'll Be There."

At 85 miles, sing — "Lord, I'm Coming Home."
